Actually no....I was double-checking on Kathy's note that it was....there was lots of activity last week when I was out and I was wondering if something was done then...

But I don't see anything.

I will create now.

Remind me what this is classified as?....That will determine what we need based on the attached checklist.

I believe I'll Need as a minimum:

FR Notice  
Information Action Memo  
Action Memo  
(I'll include the note about Non-Sig Det)  
Typesetting Request

Thanks.

Best,  
Whitney

**Subject:** Updates on FL 404 final rule NSD & Package

Hi all,

Just trying to keep everyone in the loop on the FL 404 final rule action. We are expecting some comments on the non-significance determination today from OW IO and will address those as quickly as possible so we can get sign-off on the NSD soon. We are also expecting to route the draft rule package in CMS to start reviews today- OWOW management has already signed off.

Best,  
Whitney
